

Wildlife and others to leverage resources, knowledge, training, and education that support our association's mission

**What we do NOT do:**

- Make lake regulations or rules
- Enforce rules or regulations - we report concerns to the proper authorities/agencies for investigation the same as any individual would
- Discriminate in any way- we welcome any members and treat all with mutual respect- we are NOT an exclusive "summer residents only" association- we are grass roots, down to earth individuals comprised of lakefront and non-lakefront property owners.

**Strong Membership will help maintain** our lake looking like this:

**Strong membership prevents** our lake from issues like this (Long Lake Maine milfoil infestation)
